**THE OREGON JUVENILE DEPARTMENT DIRECTORS' ASSOCIATION (OJDDA)**  
Presents  
**SUPERVISION OF SEX OFFENSE SPECIFIC CASELOADS & THE JUVENILE SEX OFFENDER ASSESSMENT PROTOCOL-II (J-SOAP-II)**  
April 14-15, 2020

**This training is presented by:**

**Rich Robison:** Rich has served as an OJDDA trainer since 1997 having been certified as a trainer with both the National Council of Juvenile and Family Court Judges and the Oregon Department of Public Safety Standards and Training. Rich currently serves as the Juvenile Probation Officer Supervisor for the Polk County Juvenile Department where he supervises the day-to-day operations of the department. Rich obtained his Bachelor of Science Degree in Law Enforcement in 1989 from Western Oregon State College, which he followed up with a Master of Science Degree in Correctional Administration (with Honors) in 1991. Rich has been on staff as an Adjunct Instructor of Criminal Justice at his alma mater since 1994.

**John Lynch:** John is currently the Juvenile Probation Officer Supervisor for the Yamhill County Juvenile Department. He is a certified trainer for OJDDA Training Faculty as well as a certified Lead Trainer for EPICS. In addition, John trains the Fundamental Skills Training for new probation staff and also provides specialized training on the assessment, treatment and supervision of sex offense specific adolescents. John has presented at several conferences, both locally and nationally, on issues involving juveniles who have committed sexual offenses and other important juvenile justice issues. John is the current President of the Oregon Adolescent Sexual Offending Treatment Network. John began his career in juvenile justice in 1995 and supervised the sex-offense specific caseload for nearly 20 years. He has a Bachelor's of Science Degree in Corrections with a Minor in Psychology from Western Oregon State University.

**Training Objectives**

At the end of this 12-hour training, participants will be able to:

- Describe common characteristics of adolescents who offend sexually.
- Identify relevant risk factors and intervention needs that, if effectively addressed, may reduce the likelihood of reoffending.
- Identify essential components of risk and needs assessments for adolescents who have offended sexually and common pitfalls and corrective strategies in risk and needs assessments;
- Reliably score and interpret the J-SOAP-II;
- Use the J-SOAP-II to guide decision-making and treatment recommendations responsibly and effectively.
